

La comida de España - Webquest

Due: February 22

Task: You will research Spanish food and customs on the Internet and answer a questionnaire. You will create a menu for a Spanish restaurant and present your menu to the class.

You will be following the directions for all of the tasks on this website .

<http://bit.ly/1RLMjSe> or

Step 1: Answer the questions on the “What do you know about Spanish food? page. (15 points)

Step 2: Create a menu. The requirements for the menu are given under the “Process (2)” and “Process (3)” tabs on the website. (40 points)

***Include at least 5 pictures of the typical Spanish dishes you have in your restaurant.*

You can make it on your ipad, computer or make a hard copy out of poster board, construction paper, etc. No matter how you make it... YOU WILL TURN IN A HARD COPY OF YOUR MENU!!

Step 3: You will present your menu to the class. Your presentation must include your name, the name of your restaurant, and ten items you choose to highlight. (15 points)

Ex. Hola, me llamo Alexis. El nombre de mi restaurante es “La Favorita.”

- *Las comidas más populares son: el sándwich de jamón y queso...*
- *Mi desayuno favorito es...*
- *Los postres que me gustan más son...*
- *.... es bueno/malo para la salud*
- *Yo recomiendo...*
- *Be creative!*

Each of these sentences can contain 3 foods max. Therefore you’ll need at least 4 sentences other than your name and name of restaurant.

You will be graded on the rubric at the end of this document, NOT the one found online! You MAY video your presentation or present live. If you video, we WILL watch it in class.

What do you know about Spanish food?

Nombre: _____ *Hora* _____

- 1. Name two favorite ingredients included in Spanish dishes.*
- 2. What is a bocadillo?*
- 3. What time is lunch typically served in Spain?*
- 4. What time are evening meals typically served?*
- 5. What is Spain's most famous dish?*
- 6. What are Tapas? What are boquerones? (You may find the answers on multiple websites)*
- 7. What is gazpacho? Name two ingredients used to make gazpacho.*
